

# Mission statement of the LHI Group

## VISION

As a **structured finance and investment boutique**, we create sustainable values – through intelligent structuring, digital strength and efficient processes.

We **practise community**, value our employees and emphasise **partner-based customer relationships**.

LHI – creating structures with the highest quality. **Securing success together for the future.**

**SUCCESS IS OUR DRIVING FORCE.**

## OUR VALUES

### COMMITMENT

We are passionate and positive about our actions and actively advance our themes of interest.

### PROFESSIONALISM

We think in a solution-oriented manner, act responsibly, and operate with a high level of professional competence.

### RELIABILITY

We make binding decisions and keep what we promise.

### SENSE OF RESPONSIBILITY

We assume responsibility and stand by our decisions.

### FUTURE ORIENTATION

We recognize opportunities, actively shape change, and create a sustainable basis for a successful future.

### APPRECIATION

We behave in a face-to-face manner marked by openness and genuine appreciation.

### TRUST

We know our strengths and can rely on each other, which allows us to share responsibility.

### EYE-LEVEL RELATIONSHIPS

We encounter others with respect and openness, which creates a basis for trust and sustainable cooperation.

### FAIRNESS

We act and communicate transparently and make plausible decisions.

### COHESION

Being strong together enables us to overcome challenges and give each other the necessary support.
